

NSGE board meeting 11.11 2016

Update regarding the program:

Marit Lieng present the scientific program, there is still one session left to be closed regarding speakers, but Marit has a discussion – Peter Bartum Smith is a suggestion Faculty includes quite many, but they are used as speakers and chair Marit Lieng presents the workshops.

Sponsors: All sponsors except one have accepted. Marit will finalize the contracts. Ethical approval has been a problem and one company has informed us, that because of this they will not participate.

Income 75.000€ corresponding to 684000kr meaning that we expect to achieve a financial plus regarding the congress.

Registration of delegates is acceptable at the moment

General assembly:

- A junior doctor will be suggested connected to the board. Regarding the board we will ask the assembly to reelect the board, but this will only happen once, at the next congress in Finland, the half of the board has to be changed
- The fee will be set at 0 Danish kr, membership depends on participation in the congress
- Swim project will be presented
- Exchange program will be presented

Bjarne Rønde Kristensen will prepare the General assembly (agenda, announcements)

Social events discussed

Next congress in Finland: 5-8 June 2019, Helsinki. First announcement is published at the NSGE homepage.

4th NCGE in 2021 will be arranged in Malmø/Lund. Jan Persson agreed to be congress president. Jan and Martin have promised to be responsible for the scientific program together with the rest of the board.

Even: ESGE affiliation was discussed, what to do and what about AAGL? Bjarne and Marit will look into the ESGE regulations.

Regarding Posters (Bjarne has the posters): Please submit addresses on departments interested in NSGE
